In my opinion in my opinion the
government should pay for
University in my opinion chocolate
is the best flavor of ice cream in
my opinion the finest wines are
those from France in my opinion
Muhammad Ali is the greatest
athlete of all time as far as I'm
concerned as far as I'm concerned
its man-made climate change as far
as I'm concerned there's no reason
to wait for luck as far as I'm
concerned your argument is more
compelling as far as I'm concerned
everyone should be given an equal
opportunity to be honest to be
honest some technology is more of
a hindrance than a help to be
honest it was one of the worst
books i've ever read to be honest I
think the new policy is completely

unworkable to be quite honest I'm just not interested in western music I am fond of I am fond of traveling to different historical places I am fond of vegetables and cabbage in particular I am very fond of lobsters but they are very very expensive I have been fond of Adventure since I was a child to tell you the truth to tell you the truth this new trend does not resonate with me to tell you the truth I was afraid of public speaking to tell you the truth I am not a big fan of video games to tell you the truth I cannot forget my past mistakes I have been I have been a subscriber to BBC learning English for many months I have been to London many times since my childhood I have been an Avid

Reader of English newspapers for many years I have been hooked on a film which I have seen several times generally speaking generally speaking this is a difficult question to answer generally speaking Champions are built from perseverance generally speaking boys like Active Sports more than girls do generally speaking the coldest weather comes in January apart from these apart from these there are many more things to think about apart from this we have some important issues to consider apart from this there are substantial number of challenges apart from these we have more challenges to deal with there has been there has been substantial Improvement in technology there has been

significant damage to our environment there has been a positive development in art and culture there has been a negative development in social values a significant number of people a significant number of people are oppressed by the military rules a significant number of people are influenced by TV advertisements a significant number of people are suffering from this disease a significant number of people are living in cities rather than villages it has become it has become a common Trend in our current Society it has become a norm in our contemporary Society it has become an indispensable part of our social and economic life it has been an issue of ongoing

discussion for many researchers if
we think about if we think about
the positive aspects of X it is
helpful for us if we think about the
negative aspects of X it is harmful
to us if we think about the benefits
of X we should embrace it if we
think about the drawbacks of X we
should avoid it nobody knows why
nobody knows why this
phenomenon is occurring in
different places nobody knows
exactly why people are becoming
greedy more and more nobody
knows exactly why global
warming is increasing day by day
nobody knows why we become
affected by certain life-threatening
viruses It is believed that It is
believed that eating Garlic on a
regular basis can cure cancer It is

believed that the dispute was
rooted in government intrigue It is
believed that no fossils could
survive from such ancient times It
is believed that water may also still
exist as underground ice compared
to compared to City Life Country
Life is quiet and peaceful
compared to fans air conditioners
are more comfortable these
resources are nothing compared to
what we got in the past compared
to other students my friend is quite
hard-working I'm looking forward
to I'm looking forward to going to
Switzerland next month I'm
looking forward to an acceptable
compromise with the council I'm
looking forward to attending
during the second season I'm
looking forward to seeing a safer

Europe in the next term good at the
Dutch have a reputation for being
good at languages I'm not good at
swimming any more than running I
think that Japanese students are
very good at Gathering knowledge
he is good at solving complicated
mathematical problems once you
once you push it it keeps going
under its own momentum once you
have created a map you can share it
with others once you have a
stomachache take the medicine
twice a day once you reach middle
age you have to be sensible with
your health thanks to thanks to
their help we accomplished the
task on time thanks to computers
lots of tasks are now easier thanks
to your timely warning I didn't
make a mistake thanks to all of you

who supported our fundraising
campaign there is nothing as there
is nothing as exciting as meeting
an old friend unexpectedly there is
nothing as enjoyable as reading a
novel on the grass there's nothing
wrong with asking a neighbor
down for a drink there is nothing as
pleasant as spending a weekend in
the countryside I can't help I can't
help thinking about my higher
education at Cambridge I can't help
laughing every time I think of that
comedy I couldn't help noticing
your wedding ring it's beautiful I
can't help remembering how
stunning the museum looked
interested in my friend is interested
in astronomy and bought a small
telescope I am greatly interested in
learning about the stock market I

have been interested in geography since my childhood she is terribly interested in other people's problems shouldn't we shouldn't you try to save some money rather than spend it all shouldn't we think about manipulation rather than elimination shouldn't we read the directions before we install the air conditioner shouldn't we check the weather before we go out it is up to it is up to the regulating authority to put the measures into effect it is up to each group to divide that time between colleagues 30. It is up to law enforcement to initiate a criminal investigation it is up to him to take advantage of this opportunity if I were if I were good at math and science I would have become a doctor if I were you I'd

take that job it seems like a good opportunity if I were you I would go to London for higher study if I were you I would probably agree with the decision I'd be grateful I'd be grateful if you would send me further details I'd be grateful if you kept this information to yourself I'd be grateful if you would show me the right procedure I'd be grateful if you advise me from a more experienced person in order to understand yourself in order to better understand others the government plans to cut taxes in order to stimulate the economy teamwork is required in order to achieve a long-term goal we exercise regularly in order to reduce body fat it is so the man is so old that he cannot look after his

health the problem was so hard that
they cannot solve it the teacher is
so intelligent that he cannot make
mistakes the topic was so
interesting that it cannot overlook I
wonder if I wonder whether there
are good grounds for this
experiment I wonder if you'd be
kind enough to give us some
information I was wondering if the
manager would agree with my
design I was wondering if you
could come to the meeting this
afternoon I am sorry to I am sorry
to inform you that your application
has been unsuccessful I am sorry to
tell you that he passed away after a
massive stroke I am sorry to
inform you that you are not
allowed at the meeting I am sorry
to say that the proposal has been

rejected whether or not you have to
pay standing charges whether or
not you use the service they'll find
out the truth whether or not you tell
it to them it's debatable whether or
not the reforms have improved
conditions whether or not we can
go ultimately depends on the
weather in fact in fact her
familiarity with modern technology
was limited in fact his business
career had distinctly and promising
beginnings she pretends to have
various abilities she doesn't in fact
possess the holiday was really
disappointing a complete disaster
in fact at that time at that time her
face was on the covers of all the
magazines three Witnesses gave
testimony that he was absent at that
time at that time the government

was unwilling to resist the foreign invasion at that time the East India Company was the virtual ruler of Bengal I would rather I would rather exercise than sit on the couch all day I'd rather make a phone call than send an email he would rather work all day long than do nothing she'd rather resign than take part in such shameful business deals no matter what no matter what happened they vowed to stick by one another no matter what the circumstances she's unfailingly cheerful no matter what your age you can lose weight no matter where he goes he carries his suitcase what I'm trying to what I'm trying to tell readers is that plastic doesn't really go away what I'm trying to say is that human

nature doesn't change what I'm trying to say is that you should think of others what I'm trying to say is that smoking is harmful to health speaking of speaking of honesty I know a lot of people who don't pay bus fares speaking of bicycles China is called the kingdom of bicycles speaking of the movies have you seen the Patriot speaking of traveling are you going anywhere exciting this year it may surprise you but it may surprise you but I paid off all the debts in a year it may surprise you but I bought all these books for 20 you are it may surprise you but he's just been promoted to manager it may surprise you but he was once in prison if I had if I had seen the advertisement I would have

applied for the job if I had my time over again I'd probably do exactly the same things if I had the choice I would stop working tomorrow if he had started earlier he would have finished the project so far so far we have not received any real information diplomacy has so far failed to bring an end to the fighting so far there is no conclusive statement of the research so far everything has been successfully done it said that it is said that the spring water has medicinal properties it is said that all comedians have unhappy childhoods it has been proven that your method is the best it will be noted that what they have done to him is wrong what would you what would you do if you were Cast

Away on a desert island what
would you do if someone tried to
rob you in the street what would
you do if you had a lot of money
what would you do if the rumors
were true where there is where
there is a creation there should be a
creator where there are difficulties
there are ways to get over them
where there are women they are
jealousy and suspicion where there
is good there is also bad I am about
to well I am about to begin another
workout session I am about to lose
my mind you have been gone for
so long I am about to start a class
action lawsuit against them I have
never experienced what I am about
to share you should have you
should have the responsibility of
your own you should have made a

good decision you should have corrected the mistake you made you should have more confidence in the job interview it would have it would have been better to do the work during winter it would have been better to share the information it would have been impossible for them without your help it would have been useful for beginners as soon as you should reply to this email as soon as possible we will rent a new house as soon as we can afford it Health sectors must be reformed as soon as possible as soon as I have settled down I will inform you make sure make sure that the audience is ready to hear your speech make sure that the windows are closed before you leave make sure you save your

files in another folder make sure
you have enough time for your
family regardless of regardless of
the bad weather I had to go to the
office regardless of poor health he
carried out his duties it is
applicable to everyone regardless
of religion color or Creed
regardless of the danger he went to
the top of the mountain you should
never wait for others what you
should do yourself you should
check up your health at least twice
a year you should put more effort
into your business you should
become proficient in English in six
months result in sleep deprivation
can result in cognitive disorders
crop failure could result in
widespread famine a bike accident
can result in a head injury anxiety

and worry could result in a lack of
concentration how about how
about having Seafood in this
restaurant how about visiting the
park in the afternoon how about
going to the theater for watching a
drama how about going for a walk
early in the morning would you
mind would you mind speaking
more slowly please would you
mind repeating that I didn't quite
catch on would you mind sending
me a list of everyone who's coming
would you mind stop sticking your
nose in my business it is absolutely
it is absolutely critical for us to
know the real information it is
absolutely vital that food supply
should be maintained you should
absolutely take preparation for this
interview it is absolutely vital to

take physical exercise on a regular basis it can be it can be difficult for schools to get rid of poor teachers it can be useful to write a summary of the article it can be difficult to be a good parent in many cases it can be tough trying to juggle a career and a family although although the beach was crowded we still had a lovely day although Tammy was tired she continued to study although the Sun was shining it wasn't very hot although the building is old it attracts many people as long as the car will keep running as long as you take good care of it I knew we wouldn't get lost as long as we had the flashlight there was no room for unhappiness as long as I was free I will keep exercising as long as I don't make a

good physique it is worth this will
be expensive but it is well worth
paying that price whatever the case
it certainly wasn't worth arguing
about I am spending a lot of money
on this boat but it is worth it it is
worth learning the English
language for better communication
I intend to I intend to file a very
strong criticism of your teaching
methods I intend to continue it and
see the job through to the Finish I
intend to continue this pattern in
the future as well I intend to
transfer my money to my children
equally I had to I had to use a little
gentle persuasion to get her to
agree I had to live on bread and
water when I was a student I had to
restrain her from hitting out at
passersby there weren't enough

chairs so I had to sit on the floor I
have no idea I have no idea what
sort of animals inhabit in this area I
have no idea who decided the
composition of the committee I
have no idea where this phrase
originated and why we use it I have
no idea about how to prepare those
cuttlefish and lobsters I could have
I could have won the game but
decided to let her win I could have
finished my exam in half the time I
could have done it for you easily
by using my technique his design
was infinitely better than anything
I could have done show up they
probably will not show up at this
meeting she was liable to just show
up without notice we would be
grateful if you show up today we
had 400 people show up for our

conference by the way by the way
what happened to that incident by
the way what is the departure time
of our journey by the way why did
you go to the hospital by the way
have you seen my keys anywhere I
am afraid I am afraid I cannot give
you the right information I am
afraid we are not at Liberty to
disclose that information I am
afraid your decision is not accurate
enough I am afraid you've been
misinformed about that supposed
to journalists are supposed to be
politically neutral I think we
always end up where we're
supposed to be the movie was
supposed to earn a lot of money he
was supposed to confirm the
schedule I have to I have to
complain to him because of his

rudeness there are one or two
questions that I have to ask you I
have to talk to the manager about
the matter I have to say I don't
much care for modern music lead
to this election result could lead to
further disputes vitamin deficiency
can lead to a serious health hazard
verbal abuse can lead to both
mental and emotional problems
this is a serious dispute and could
lead to armed conflict I prefer I
prefer tea in the morning rather
than coffee generally I prefer
painting with watercolors I prefer
to keep out of arguments about
money I prefer to work rather than
go on holiday to the seaside let me
let me make a cup of coffee for
you would you please let me know
your problem you must let me

know when you leave the place let
me know when you come to
London.
