

ANDREW TATE DESTROYS ZELENSKYY OVER OVAL OFFICE MELTDOWN

*We
develop a passion
for Teaching!*

Zalinsky and the president
together that
Is a clip that doesn't get it it's
just
I can watch that so many
times watching
This guy's audacity to feel
comfortable
Just go to my Twitter account
Rob you're
Going to have a long time
finding it
Just go to my Twitter account
and go
Lower you'll see the video
this is
Zalinski in a white house
sitting next

To JD Vance do the first one
do the
First one Lord not that one
that's about
His outfit go one low right
there I want
To get your reaction on this
this is
Zinsky C there talking to the
president
And by the way some people
are saying
That he slipped up a Ward
and he cursed
At jdance call him a bit Yeah
ukra call
Him a play this clip Ro go for
it

I'm talking about the kind of
diplomacy
That's going to end the
destruction of
Your country yes but if you
Mr President
Mr President with respect I
think it's
Disrespectful for you to come
into the
Oal office and try to litigate
this in
Front of the American Media
right now
You guys are going around
and forcing
Conscripts to the front lines
because

You have Manpower
problems you you
Should be thanking the
president for to
Bring it into this conf have
you ever
Been to Ukraine that you say
what
Problems we have I have
been to come
Once i've actually i've
actually watched
And seen the stories and I
know what
Happens is you bring people
you bring
Them on a propaganda tour
Mr President

Are do you disagree that
you've had
Problems what bringing
people into your
Military and do you think that
it's

Respectful to come to the
Oval Office of
The United States of America
and attack

The administration that is
trying to

Trying to prevent the
destruction of

Your country a lot of a lot of
questions

Let's start from the beginning
first of

All during the war everybody
has
Problems even you but you
have nice
Ocean and don't feel now but
you will
Feel it in the future God bless
you
Don't know that God bless
God bless you
Will not have War don't tell
us what
We're going to feel we're
trying to
Solve a problem don't tell us
what we're
Going to feel I'm not telling
you you're

In no position to dictate that
remember
This you're in no position to
dictate
What we're going to feel
we're going to
Feel very good will feel
influence we're
Going to feel very good and
very strong
You will feel influence you're
right now
Not in a very good position
you've
Allowed yourself to be in a
very bad
Position and he happens to be
right

About from the very
beginning of the war
You're not in a good position
you don't
Have the cards right now with
us you
Start having cards right now
you don't
You're playing
Cards you're gambling with
the lives of
Millions of people you're
gambling with
World War I what you think
you're
Gambling with World War I
and what
You're doing is very dis

disrespectful
To the country this
Country far more than a lot of
people
Said they should have leaning
inot of
Times en you said Thank you
went to
Pennsylvania and campaigned
for the
Opposition in October offer
some words
Of appreciation for the United
States of
America and the president
who's trying
To save your country
Thoughts I have to be careful

what I say
About this because I returned
to the
Ukrainian border on the 23rd
of March
But obviously truthfully I'm
quite
Outraged the fact that even at
the
Beginning of the clip he had
his arms
Crossed which is the terrible
body
Language you notice at the
beginning he
Has his arm crossed yeah
very petulant I
Don't know where he gets this

Confidence
From I'm not sure if he just
bought into
His own Kool-Aid I would
argue that he
Was had assurances from the
deep state
That Trump would never win
I feel like
If I had to analyze he feels
betrayed I
Feel like he said well the
Americans
Promised are going to help
me now
They've changed their minds
they
Promised me they put me in

this position
That's why he's probably
secretly angry
At America no matter how
much we give
Him but I mean that was
obviously a PR
Disaster from him I am
truthfully more
Outraged by the instant
European tour
That they threw together for
him and
They dragged the leaders of
every single
European country together to
treat him
Like a hero and run him all

over the
Place that is another spit in
the face
Of President Trump I would
like to think
That Trump thinks the same
as me that if
You add up the fact that
Europe is now
Buddying up with people who
disrespect
Him to his face not allowing
free speech
I mean what what do we even
have in
Common anymore with our
European allies
Supposedly the fact that Kier

starmmer
Left the White House flew
home and
Instantly met zalinski is
disgusting
Pull up that clip
R and when he's talking about
Conscription you guys know
what they're
Doing there right there's
videos Andrew
And and Pat I send them to I
sent them
To uh to Rob they're literally
pulling
Up Vans a guy's walking his
dog and
They're grabbing him and

throwing him in
A van and bringing him into
the front
Lines to die is that not
dictatorship as
As as a leader what's this
video here
Like look at this guy's
walking his dog
There's volume they run up
on this guy
They snatch his ass they leave
the dog
they throw him in there and
they
literally put him in the front
lines to
die this is what JD Vance was

talking
about he's like this is what
he's like
you're losing this war and the
soldiers
the soldiers Andrew don't
want to fight
they're tired they're done they
know
they're going to freaking lose
so look
they grab the dude and they
put him in
the vent and he's done he's in
the front
lines and he dies period we
have to
argue if zalinski is trying to

save
himself because I think one of
the
biggest mistakes he made
there is I
think only America could
have kept him
alive when this is all over he's
not
going to be safe in Ukraine I
don't
think you can let that many of
your own
people die without having a
disgruntled
member of the population or
an opposing
political force deal with you

Europe
can't keep you safe from
Russia that's
been proven many times I
think there was
a guy in Germany who got
assassinated by
the FSB relatively recently uh
that he
put a bullet in his head and
then he did
three years in German jail he
had a life
sentence did three years
before Putin
did him in a prisoner swap I
think that
was 2020 2021 so Europe

can't save you
we know London can't
because you get a
plutonium sandwich so only
America could
have kept him alive when this
is all
over so pissing Trump off is
an act of
desperation and petulance
which he's
going to truly regret in the
end when
this war ends because I don't
know how
nice Trump is I don't know if
he's going
to sit with Putin and say

zelinski's off
limits because Putin's going
to say is
he a Target and if Trump says
I don't
care then he has problems all
around the
globe where's he going to go
where's he
going to hide from the
Russians did you
hear president Trump and
Kier what he
said about Kier have you seen
the audio
it was good right Rob can you
pull up
that clip it's interesting I'm

trying to
see if Trump is playing
diplomacy here
yeah Trump said good things
about Kier
yeah he did if you can play
this clip
Rob we have an ad okay so
then go to
well I I I I think before we
play I
think I know what you're
gonna say and I
I think I know the answer as
well I
think I'm I'm guessing I'm
guessing but we'll see can he
skip or he

can't I can't Skip it's Daily
Mail so
we're pulling straight from
their
website okay 5 Seconds 15
but yet close
okay who can count there's a
there's
another clip as well
where just now I think it
happened today
where Kier is up there
speaking with
Nigel Farage there this just
happened
today by the way today about
Zilinsky
and raise the

audio go back a little
bit to see me twice I have a
call he and
I have a call over the next 24
hours now
I get along with him well I
like him a
lot he's
liberal which is uh a little bit
different for me but I think
he's a very
good person I think he's
a he's done a very good job
thus far
he's very good with the job
but he's
represented his country in
terms of his

philosophy I may not agree
with his
philosophy but I have a very
good
relationship with him I've
seen him
twice and dinner with him
Trump Tower as
she
probably he said yeah dinner
with with
him in Trump talk he said
likes him he
call he goes he's a liberal he
says that
about a lot of people though
he says
that about Putin he says that

about G he
says he's got a relationship
with all
these guys that's his approach
he wants
to keep it safe is this the clip
of him
saying the words yes go
ahead and play
it around I have been to I
have actually
I've actually watched and
seen the
stories and I know what
happens is you
bring people you bring them
on a
propaganda tourament I've

actually I've
actually watched and seen the
stories
and I know what happens is
you bring
people you bring them on a
propaganda
tour Mr I have been do you
have the clip
of
his Ambassador not
Ambassador Diplomat
that and she's just shaking her
head
like she knows what's happen
what are
you doing right that the way
he was

handling it but um does this
guy feel
protected was he instigated
that people
challenge him to do so this is
if I if I
had to analyze and once again
I'm
guessing but I can come up
with a
conclusion I can guess why I
think this
happened look at this shaking
her head
I
want yeah go for it right so
firstly the
reason I think Trump saying

good things
about Kier is because Kier
probably
instantly agreed to everything
Trump
wants I think Trump's a carrot
and stick
guy I think if you turn up and
in
private you say he says we're
going to
do x y and Zed and you go
okay sir we'll
do x y and Zed then you're a
great guy I
can't imagine Kier sat down
and argued
with him or disagreed with

him about
anything important he would
have got
that answer so I think that
basically
Kier bent over and America's
going to
get the better end of the deal
so for
that reason he gets praise
because
praise from Trump is good for
your poll
figures anywhere any party
anywhere
around the world it's a good
thing even
liberals like you more if

Trump likes
you that's how powerful he is
so what
that means is that in their
private
exchange Kier gave Trump
everything he
wants that's what I believe as
regards
to zalinski I would
argue that he was told by
European
Elites that Trump is against
this war
and Trump is talking to Putin
and they
probably told him that Trump
is a bully

and Trump likes to be to bully
people
and you have to look strong
in front of
trump don't be afraid of him if
you
stand up to a bully it puts him
in their
place and you're the leader of
a country
now at War and you have to
show them
that you're a strong leader if
you add
in second language frustration
and
incompetence you get a
scenario like the

one we just saw so I think
zalinsky was
hyped up and told to stand up
to a bully
you add in the fact he's
speaking in his
second language and doesn't
truly
understand English you add
in the fact
he's nervous and incompetent
you add in
the fact he's likely a drug
addict and
you have the train trash train
crash we
just saw there that's what I
think

happened were you getting
the drug
addict component I have to go
back to
Romania on March 23rd and
the ukrainians
operate heavily inside of
Romania I
don't want to catch a bullet if
I do
catch it it's them but I think
everybody
knows he's a cocaine addict
really
zinski yeah there there was
clips about
him on this as well he's
geeking out all

the time yeah cocain clips
about him I
mean it's easy to be cocaine
addicted
you're hiding in the bunker
there's a
contingent of your own
country who want
you dead the Russians want
you dead now
the Americans want you dead
the
Europeans are promising you
things but
the Europeans are fem
Centric the
Europeans are run by women
and when I

say run by women what I get
this
confused often I often say that
this is
femin femininity that is
destroying it
Europe is run by femininity
and when I
say that they'll say k is not a
woman no
but he's not a man is he when
I'm
talking about women I'm
talking about
the female mindset versus the
masculine
mindset and feminism and the
European

State they always say we
don't hate men
look kier's a man but he's not
masculine
they hate men who act
masculine they
like the men who act like girls
because
they're Unix they like the
Unix and the
girls they don't like the real
masculine
men and there's not a single
leader in
Europe which is a masculine
man Europe
is a feminine continent and
the problem

with femininity as a whole is
that as
their emotions change their
obligations
change it's the masculine
imperative to
make a promise and make a
promise and
even if your emotions change
you stick
to your word that is masculine
female is
I love you so much right now
I'll never
do everything for you I'll die
for you
because I love you as soon as
she stops

Loving You everything's out
the window
nothing matters her words
don't matter
all that matters are her
feelings the
problem that zinsky has now
is his
allies are women which
means right now
they feel like helping him
which means
they'll make him a whole of
promises
they mean what they say
they're not
lying they mean it right now
but when

their feelings change
everything changes
before you know it he's in an
apartment
in Berlin hiding from the FSB
he's going
to catch a bullet and he knows
it and
that's why he's under pressure
that's
why he's reacting like he did
only the
Americans could have
negotiated and
bargained for his safety wait
you're
saying macron is not
masculine I just want to put I

mean yeah
but I mean I think we should
get Candace
on here and confirm if he is
married to
his she getting yeah she's
getting she's
doing great it's amazing but
this is
very important that we well
let's
understand this right let's
understand
this Europe is them Centric
run by women
the men are effectively
women there is
no masculine man inside of

the entire
European Elite Europe is
women do you
know what is a strong
patriarchy with a
masculine influence America
do you know
another one Russia if
America and Russia
Ally against Europe they are
crushed
economically energetically
militarily
they are crushed completely
and they're
sitting there like petulant
female
refusing to accept the reality

that
there's two strong men on
either side
that are tired of their and it's
time to shut up and listen so
we're
going to see if Europe comes
to its it
comes to its senses and gets
lock step
in line with Trump's
imperatives I would
argue that Kier's done exactly
that Kier
sat down in private when he
didn't act
have to act like a tough guy
because he

wants to be a tough guy
because all you
know you know that woman
who gets in
your face hit me that that's
that's all
them they're all little girls
Kier soy
face run his mouth publicly
said Trump's
bad before the eltion publicly
then he
sits down with Trump
privately we don't
know what said Trump leaves
and goes
yeah I like Kier he's a good
guy I

guarantee you it's cuz kier's
like sorry
Mr Trump what should I sign
sorry Mr
Trump signed whatever
Trump wanted
otherwise he wouldn't have
got that that
Accolade from Trump
himself and all of
these people are going to end
up bending
over to Trump in the end and
the
strongest leader of these
European
countries is actually a woman
Georgia

Maloney in Italy it's
incredible that's
why Europe's collapsing
because there's
no masculine imperative
masculine is the
Defenders at least Canada has
a real man
like Justin Trudeau I mean he
voted out
why is he still on TV why is
he still
around wasn't he gone I don't
know if
he's gone they're waiting on a
election
you again I don't know the ins
and outs

of the economics but when
Trump imposed
tariffs on Canada and Mexico
and they
instantly folded and did
whatever he
wanted behind the scenes to
get the
terrorist removed absolute
gangster and I
don't know I can't remember
the name of
the conservative leader of
Canada Pierre
whatever but when all these
people start
trying to talk tough about
Canada and

all this crap you guys need to
they
really secretly know the deal
because if
they really piss Trump off
they're going
to get hit with these tariffs
and get re
so in per in in public what did
I say
earlier that a billionaire can
lie in
public they stand up Canada
will never
be the 51st state we're proud
Canadians
we're we're gonna fight
against them

next day Trump takes the
tariffs off why
is it because of the little
stupid
speech you made on can
Canadian TV that
no one watches or is it
because you
called Trump and said hi Mr
Trump what
do you want me to do Mr
Trump okay I'll
fix Mr I'll fix the Border Mr
Trump
sorry Mr Trump billionaires
can lie
that's what they do they stand
up and

say one thing and they
secretly do
another that's our politics as a
whole
all in Europe all these
countries every
single time you see a leader
talk bad
about Trump if they're not
currently
getting wrecked I guarantee
you in
private they're licking his ass
would
every single one of them
guaranteed any
one of them who's talking bad
about

Trump in P in public and in
private is
and they know it so they just
want to be the tough guy on
TV and a
second the phone calls private
like Kier
ke he's like I like Kier kier's
all
right he's liberal but he's all
right I
like his vision of course you
do he
signed the contract of course
you he bent over of course
you do
Kier what's Kier going to do
to

Trump sit there and what
what's he going
to say no off can't say no he
can't
even put a border up he can't
even say no to migrants you
say no to
Trump you can't even say no
to a
third world nobody without a
passport
think he's gonna say no to
president Trump no Trump
has every
single one of these clowns
exactly where
they belong all of them all of
them and

zalinsky made a huge mistake
listening to clowns which are
not only
incapable of keeping him safe
but are
going to instantly reverse and
ren on
their obligations when
feelings and
sentiments change all of them
so I don't
know what the he's going to
do
besides put bullet in me when
I go back
to Romania that's about it
