W

Ladies and gentlemen it is my
honor and pleasure to
Introduce to you the 45th and

the 47th president of the
united states of
America donald j trump
Thank you very much
everybody well thank you
very very
Much vice president vance
speaker johnson senator
Th chief justice roberts
justices of
The united states supreme
court president clinton
president bush
President obama president
biden vice president
Harris and my fellow citizens
the golden age of america
Begins right now

From this day forward our
country will flourish and be
respected again all over the
World we will be the envy of
every nation and we will not
allow ourselves to be taken
advantage of any
Longer during every single
day of the trump
administration i will very
simply put
America first

Our sovereignty will be
reclaimed our safety will be
restored the scales of
Justice will be rebalanced the
vicious violent and unfair
weaponization of the justice

Department and our
government will end
And our top priority will be to
create a nation that is proud
prosperous and
Free america will soon be
greater stronger and far more
exceptional than
Ever

Before i return to the
presidency confident and
optimistic that we are at
The start of a thrilling new
era of national success a tide
of change is

Sweeping the country
sunlight is pouring over the
entire world and america has

The chance to seize this
opportunity like never before
but first we must be
Honest about the challenges
we face while they are
plentiful they will be
Annihilated by this great
momentum that the world is
now witnessing in the united
states of
America as we gather today
our government confronts a
crisis of trust
For many years a radical and
corrupt establishment has
extracted power and
Wealth from our citizens
while the pillars of our

society lay broken and
seemingly incomplete
Disrepair we now have a
government that cannot
manage even a simple crisis
at home while at the same
time stumbling
Into a continuing catalog of
catastrophic events abroad it
fails to protect our
magnificent
Law-abiding american
citizens but provide sanctuary
and protection for
Dangerous criminals many
from prisons and mental
institutions that have illegally
entered

Our country from all over the world we have a government that has given unlimited funding to the defense of Foreign borders but refuses to defend american borders or more importantly its Own people our country can no longer deliver basic services in times of Emergency as recently shown by the wonderful people of north carolina been Treated so Badly and other states who are still suffering from a hurricane that took place many months ago or more

recently

Los angeles where we are
watching fires still tragically
burn from weeks ago

Without even a token of
defense they're raging through
the houses and communities
even

Affecting some of the
wealthiest and most powerful
individuals in our country
some of whom are sitting here
right now

They don't have a home any
longer that's interesting but
we can't let this happen

Everyone is unable to do
anything about it that's going

to change we have a
Public health system that does
not deliver in times of disaster
yet more more money is spent
on it than any

Country anywhere in the
world and we have an
education system that teaches
our children to be ashamed of
themselves

In many cases to hate our
country despite the love that
we try so desperately to
provide to them all of

This will change starting
today and it will change very
quickly

My recent election is a

mandate to completely and
totally reverse a horrible
Betrayal and all of these
many betrayals that have
taken place and to give the
People back their faith their
wealth their democracy and
indeed their freedom
From this moment on
america's decline is over
Our liberties and our nation's
glorious destiny will no
longer be denied and we
Will immediately restore the
integrity competency and
loyalty of america's
Government over the past
eight years i have been tested

and challenged more than any
president in our 250e history
And i've learned learned a lot
along the way the journey to
reclaim our republic

Has not been an easy one that
i can tell you those who wish
to stop our cause

Have tried to take my
freedom and indeed to take
my life just a few months ago
in

A beautiful pennsylvania field
an assassin's bullet ripped
through my

Ear but i felt then and believe
even more so now that my
life life was saved

For a reason i was saved by
god to make america great
Again

Than thank you very much
That is why each day under
our administration of we will
be working to
Meet every crisis with dignity
and power and strength we
will move with purpose
And speed to bring back hope
prosperity safety and peace
for citizens of every
Race religion color and creed
for american citizens january
20th 2025 is
Liberation
Day it is my hope that our

recent presidential election
will be remembered

As the greatest and most
consequential election in the
history of our country as our
victory showed the entire
Nation is rapidly unified
behind our agenda with
dramatic increases in
Support from virtually every
element of our society young
and old men and women
African-americans hispanic
americans asian-americans
urban suburban rural and
Very importantly we had a
powerful win in all seven
swing states and the

Popular vote we won by
millions of people
To the black and hispanic
communities i want to thank
you for the tremendous
outpouring of love and trust
that you
Have shown me with your
vote we set records and i will
not forget it i've
Heard your voices in the
campaign and i look forward
to working with you in the
years to come today is martin
luther
King day and his honor this
will be a great honor but in
his honor we will

Strive together to make his
dream a reality we will make
his dream come

True thank you thank
You national unity is now
returning to
America and confidence and
pride is soaring like never
before in everything

We do my administration will
be inspired by a strong pursuit
of excellence and unrelenting
success we will not forget

Our country we will not
forget our constitution and we
will not forget our
God can't do that

Today i will sign a series of

historic with these actions we
will begin the

Complete restoration of
america and the revolution of
common sense it's all

About common sense first i
will declare a national
Emergency at our southern
border

All illegal entry will
immediately be halted and we
will begin the process of
Returning millions and
millions of criminal aliens
back to the places from
Which they came we will
reinstate my remain in
Mexico

Policy i will end the practice
of catch and
Release and i will send troops
to the southern border to repel
the disastrous
Invasion of our country
Under the orders i signed
today we will also be
designating the cartels as
Foreign terrorist
organizations
And by invoking the alien
enemies act of
1798 i will direct our
government to use the full
and immense power of
federal
And state law enforcement to

eliminate the presence of all
foreign gangs and criminal
networks bringing devastating
Crime to us soil including our
cities and inner cities

As commander-in-chief i
have no higher responsibility
than to defend our country
from threats and invasions
and

That is exactly what i am
going to do we will do it at a
level that nobody's ever
Seen before next i will direct
all members of my cabinet to
marshall the

Vast powers at their disposal
to defeat what was record

inflation and rapidly
Bring down costs and prices
The inflation crisis was
caused by massive
overspending and escalating
energy prices and that is why
today i
Will also declare a national
energy emergency we will
drill baby drill
America will be a
manufacturing nation once
again and we have something
that no
Other manufacturing nation
will ever have the largest
amount of oil and gas of any
country on earth and we are

going

To use it let me use it we will
bring prices down

Fill our strategic reserves up
again right to the top and
export american

Energy all over the

World we will be a rich
nation again and it is that
liquid gold under our feet

That will help to do it with
my actions today we will end
the green new deal and

We will revoke the electric
vehicle mandate saving our
auto industry and

Keeping my sacred pledge to
our great american auto

Workers in other words you'll
be able to buy the car of your
choice we will build
automobiles in america again
at a rate that nobody could
have dreamt possible just a
few
years ago and thank you to
the order workers of our
nation for your inspiring vote
of
confidence we did
tremendously with aote i will
immediately begin the
overhaul of our trade system
to protect american workers
and families instead of
taxing our citizens to enrich

other countries we will tariff
and tax foreign
countries to enrich our
citizens

for this purpose we are
establishing the external
revenue service to collect all
tariffs duties and revenues it
will be massive
amounts of money pouring
into our treasury coming from
foreign sources the
american dream will soon be
back and thriving like never
before to restore
competence and effectiveness
to our federal government my
administration

will establish the brand new
department of government
efficiency after years and
years of illegal and
unconstitutional federal
efforts to restrict free
expression i

will also sign an executive
order to immediately stop all
government censorship and
bring back free speech to
america never again will the
immense power of the state
be weaponized to
persecute political opponents
something i know something
about we will not allow that
to happen

it will not happen again under
my leadership we will restore
fair equal and impartial
justice under the
constitutional rule of
law and we are going back to
our
cities this week i will also end
the government policy of
trying to socially engineer
race and
gender into every aspect of
public and private
life we will forge a society
that is colorblind and merit
based as of today it will
henceforth be the official
policy of the united states

government that there are
only two genders male and
female this week i will
reinstate any service member
members who were unjustly
expelled from our military for
objecting to the covid vaccine
mandate with full
back

pay and i will sign an order to
stop our warriors from being
subjected to radical
political theories and social
experiments while on duty it's
going to end immed
immediately our armed forces
will be free to focus on their
soulle mission

defeating america's enemies
like in 2017 we will again
build the strongest military
the world has ever
seen we will measure our
success not only by the battles
we win but also by
the wars that we end and
perhaps most importantly the
wars we never get into
my proudest legacy will be
that of a peacemaker and
unifier that's what i
want to be a peacemaker and
a unifier i'm pleased to say
that as of yesterday
one day before i assumed
office the hostages in the

middle east are coming
back home to their
families thank you america
will reclaim its rightful
place as the greatest most
powerful most respected
nation on earth inspiring the
awe and admiration of the
entire world a short time from
now we are going to be
changing the name of gulf of
america and we will restore
the
name of a great president
william mckinley to mount
mckinley where it
should be and where it
belongs

president mckinley made our
country very rich through
tariffs and through talent
he was a natural businessman
and gave teddy roosevelt the
money for many of the great
things he did including the
panama canal which has
foolishly been given to the
country of panama after the
united

states the united states i me
think of this spent more
money than ever spent on
a project before and lost
38,000 lives in the building of
the panama canal we
have been treated very badly

from this foolish gift that
should have never been made
and panama's promise to us
has been
broken the purpose of our
deal and the spirit of our
treaty has been totally
violated american ships are
being severely
overcharged and not treated
fairly in any way shape or
form and that includes
the united states navy and
above all china is operating
the panama canal and
we didn't give it to china we
gave it to panama and we're
taking it back

above all my message to
americans today is that it is
time for us to once again
act with courage vigor and the
vitality of history's greatest
civilization so as we liberate
our nation we will lead it to
new heights of
victory and success we will
not be deterred together we
will end the chronic disease
epidemic
and keep our children safe
healthy and disease free the
united states will once
again consider itself a
growing nation one that
increases our wealth

expands our territory builds
our cities raises our
expectations and carries our
flag into new and beautiful
horizons and we will pursue
our manifest destiny into
the stars launching american
astronauts to plant the stars
and stripes on the planet mars
ambition is the lifeblood of a
great nation and right now our
nation is more
ambitious than any other
there's no nation like our
nation americans are
explorers builders
in inators entrepreneurs and
pioneers the spirit of the

frontier is
written into our hearts the call
of the next great adventure
resounds from within our
souls our american ancestors
turned a small group of
colonies on the edge of a
vast continent into a mighty
republic of the most
extraordinary citizens on
earth

no one comes close americans
push thousands of miles
through a rugged land of
untamed

wilderness they crossed
deserts scaled mountains
braved untold dangers won

the
wild west ended slavery
rescued millions from tyranny
lifted billions from
poverty harnessed electricity
split the atom launched
mankind into the heavens
and put the universe of human
knowledge into the palm of
the human hand if we
work together there is nothing
we cannot do and no dream
we cannot achieve many
people thought it was
impossible for me to stage
such a historic political
comeback but as you see
today here i am the american

people have spoken
i stand before you now as
proof that you should never
believe that something is
impossible to do in america
the

impossible is what we do
best from new york to los
angeles from philadelphia to
phoenix from chicago to
miami from houston to right
here in washington dc our
country was forged and built
by

the generations of patriots
who gave everything they had
for our rights and
for our freedom they were

farmers and soldiers cowboys
and factory workers steel
workers and coal miners
police officers and pioneers
who pushed onward marched
forward and let no obstacle
defeat their spirit or their
pride
together they laid down the
railroads raised up the
skyscrapers built great
highways w two world wars
defeated fascism and
communism and triumphed
over
every single challenge that
they face after all we have
been through

together we stand on the
verge of the four greatest
years in american history
with your help we will restore
america promise and we will
rebuild the a nation
that we love and we love it so
much we are one people one
family and one
glorious nation under god so
to every parent who dreams
for their child and
every child who dreams for
their future i am with you i
will fight for you and i
will win for you we're going
to win like never before
thank

you thank you thank you in
recent years our nation has
suffered greatly but we are
going to bring it back and
make it great again greater
than ever

before we will be a nation
like no other full of
compassion courage and
exceptionalism our power
will stop all wars and bring a
new spirit of unity to
a world that has been angry
violent and totally
unpredictable america will be
respected
again and admired again
including by people of

religion faith and good will
we will be prosperous we will
be proud we will be strong
and we will win like
never before we will not be
conquered we will not be
intimidated we will not be
broken and we will not fail
from this day on the
united states of america will
be a free sovereign and
independent nation we will
stand bravely we will live
proudly we will dream boldly
and nothing will stand
in our way because we are
americans the future is ours
and our golden age has

just begun thank you god
